

WORK PLAN FOR THE MONTH AUGUST-2021
Class VIII

Dear Parents,

In this month your child will be able to learn the below mention:

ENGLISH:

Literature

Poem 3 Macavity : The Mystery Cat 50 Poe
Lesson 4 Bepin Choudhury's Lapse of Memory
Poem 4 The Last Bargain

Learning Objectives:

- Learning new uses of vivid expressions.
- Vocabulary improvement.
- Understanding the core of the content.

Grammar

Lesson 5. Degrees of comparison
Common Errors (Degrees of comparison)
Lesson 6. Adverbs

Learning Objectives: Grammar

- Developing language aptitude.
- Understanding the core concept with methods of solutions.
- Identifying new areas of language area.
- Improvements in write-ups.

Skills

Articulation
Expressing
Depicting
Analysis

MATHS:

Chapter 8 – Comparing Quantities

Learning Objectives;

Students will use the words greater than, less than, or equal to compare items.

The adjustment to the whole group lesson is a modification to differentiate for children who are English learners.

Chapter 4 – Practical Geometry

Learning Objectives;

Understand geometrical terminology for angles, triangles, quadrilaterals and circles.

Measure angles using a protractor.

Use geometrical results to determine unknown angles.

Chapter 9 – Algebraic Expressions and Identities

Learning Objectives:

Understand that the decimal representation of a rational number is either termination or repeating.

Understand the difference between rounding a decimal and truncating it.

Solve real-world problems involving all four operations with rational numbers.

SOCIAL STUDIES

HISTORY:

Chapter 5- When People Rebel

Learning objectives:

1)Effects of revolt 2)Criticize cruel practices of British

Chapter:6- Weavers,Iron Smelters and Factory Owners

Learning objectives:

1) Discover the process of de-industrialisation

2)Idea of the technologies and the lives of weavers

Skills:

1)Description, 2)Analysis, 3)Recite 4)Elaborate

GEOGRAPHY:

Chapter 4: Agriculture

Learning objectives:

Learn about various type of farming and developments in agriculture in two different regions.

Skills: 1)Description ,2)Awareness 3)Comparison 4)Recitation. erationscs

CIVICS

Chapter- Understanding Laws

Learning Objectives:-

1) Do laws apply to all.

2)How do new laws come about.

3)Unpopular and controversial laws.

- 4) Repressive policy
- 5) Laws related to domestic violence

Skills:- 1) Elaborating 2) reading 3) comprehension 4) Students will be aware about how and why government initiates different laws.
5) They will develop the skills to know about the controversy related to the laws.

SCIENCE

- Chapter: 03: Synthetic Fibres and Plastics
- Chapter: 04: Materials: Metals and Non-Metals

- Learning Objectives:

Understanding Synthetic fibres as opposed to Natural fibres (Cotton, Jute, Linen, Hemp, Wool, Silk etc which are obtained from plants and animals). Difference between natural and synthetic fibre, Types of synthetic fibre: Rayon, Nylon, polyester and acrylic and how they are products of petrochemical substances. Characteristics of synthetic fibre

Understanding Plastics and polythenes as a different class of synthetic fibres, Thermoplastics and thermosetting plastics. Factors which make plastics amenable for the extensive domestic and industrial use, Plastics as health and environmental hazards, The 5-R principle (Reduce, Reuse, Recycle, Recover and Reuse) and how plastics fit into principle.

Familiarize with metals and non-metals, Differentiating between them basis their physical properties and chemical properties. Physical properties against which differentiation can be made are : Hardness, lustre, sonorous behaviour, ductility, malleability, conductivity (of heat and electricity) etc

Chemical properties against which they can be distinguished are: reactivity with air (oxygen), water, acids, bases, displacement reactions etc., wherein they make different compounds depending on their chemical behaviours

Skills:

Focus of cognitive Thinking / Making sense of abstract ideas for learning concepts.
Experimenting (through activities), making observations, analyzing them and drawing inferences.
Observing, comparing, analysing and Inferring.

HINDI

पाठ 3 बस की यात्रा

पाठ 5 चिट्ठियों की अनूठी दुनिया

व्यवहारिक ज्ञान

विद्यार्थियों को हास्य विधा से परिचित कराना

विद्यार्थियों को पत्र के महत्वपूर्ण अवयवों से परिचित कराना

SANSKRIT

पाठ 6 गृहं शून्यं सुता विना

पाठ 7 भारत जनता अहम्

व्यवहारिक ज्ञान -विद्यार्थियों विद्यार्थियों में संस्कृत भाषा के प्रति रुचि जागृत करना
विद्यार्थियों को भारत संस्कृति से परिचित कराना

COMPUTER

Chapter 4: Raising queries

Learning Objectives:

Relationship between table

Concept of foreign key

Searching and filtering of records
