

DELHI PUBLIC SCHOOL JHANSI

Distinguished alumni, who have made significant contributions in their respective fields.

1. ATHARVA KOCHAR

My name is Atharv Kochar, a dedicated and high-achieving student with a passion for both academics and athletics. I graduated from DPS Jhansi with stellar academic performance, securing a remarkable 98% in 10th grade and a 95% in 12th grade. My academic prowess culminated in achieving a phenomenal 99.06 percentile on the JEE Main exam and a distinguished 7630 rank on the IIT Advanced exam.

Currently, I am pursuing a degree in Civil Engineering at the prestigious IIT Hyderabad, where I am diligently honing my skills and aspiring to become a leading figure in the field. Beyond my academic pursuits, I am a committed athlete who has represented my state and district in badminton competitions at the state level, demonstrating my exceptional athletic abilities.

2. RAJ RISHI

Hi, my name is Raj Rishi. I did my schooling from DPS jhansi and currently enrolled in college for graduation. Here are some small landmarks that I achieved- I scored 92.2% in 10th class, 94.4% in class 12th 'humanities' and also I scored 776/800 marks in cuet 2024 and got admission in India nirf ranked 1 'HINDU COLLEGE'.

Beside my academics I'm also good in sports such as running, table tennis, and skill wise I can play guitar along with singing as well as I can play video games well. With such small achievements in life I am aiming to convert them into something big and great and aiming to crack UPSC in 2028 in my first attempt.

3. RITURAJ SINGH

I am a dedicated and determined individual with a passion for academics, leadership, and extracurricular activities. I completed my 10th grade with an impressive 96%, and during my 11th and 12th grades, I prepared rigorously for the JEE, securing admission into IIT Kanpur, where I am currently pursuing a degree in Civil Engineering. Throughout my school years, I also excelled in various science fairs and exhibitions, consistently leading my team to victory.

I was selected as the Junior Head Boy at my school through votes from my schoolmates and teachers. I also led my school house to victory in several inter-house competitions and secured many individual awards in both sports and the sciences.

At the university level, I have undertaken several impactful projects, meticulously analyzing various companies as part of finance analysis competitions. These projects not only honed my analytical skills but also provided me with valuable insights into the intricacies of financial evaluation and decision-making. Additionally, I finished second with my team in a 14-hour hackathon event conducted at my university, showcasing my collaborative skills and problem-solving abilities.

Beyond academics, I have a passion for chess, having represented my school on the national stage. I am also currently a part of the professional eSports team at my university, where I continue to explore and excel in competitive gaming.
